IMAGINE DOWNTOWN

September 2019

Downtown Construction

As the Downtown Revitalization project begins and construction crews start mobilizing, it is important to raise awareness of the new traffic patterns. Beginning **Wednesday, September 11th between 9:30 and 10:00 am**, Main Street will be closed down to one lane of through traffic with no parking. East Jackson from Main Street to the railroad tracks will also be closed. No right turns from Main Street will be allowed at this time.

Please utilize side street and alley parking during this time as well as any public parking lots. We understand that construction can be inconvenient, but we appreciate your patience during this time. Please drive with added caution and be aware of construction workers as well as new traffic patterns.

Thanks for Subscribing!
