GENERAL BOARD DISCUSSION

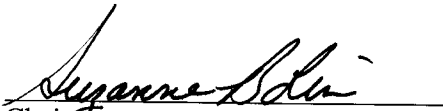

Suzanne is concerned about the vehicles parking on the street in the 300 block of West Jackson. The street is already narrow and when vehicles park on the curve vehicles driving in both lanes cannot pass each other at the same time. Item added to agenda for next meeting.

Josh is concerned about the traffic and pedestrian traffic at N. 14th and American Legion. He explained that it is common for vehicles that are turning right onto American Legion from 14th to create a second lane causing further congestion and making it unsafe for pedestrians. Item added to agenda for next meeting.

Josh is also concerned regarding the street parking at Cinderloop and IdaRock off of S. 18th Street in the S curve. Item added to agenda for next meeting.

ADJOURN

There being no further business to come before the committee, Albert Clement made a motion to adjourn the meeting. Barbara Turner seconded the motion. All in favor and the meeting was adjourned at 6:24 P.M.
