**NEW BUSINESS**

**Taco John's Traffic**

Mr. Urquidi said that they moved a flower planter to prevent traffic from going through the parking lot of Steve's Auto to avoid the stop sign. ITD has talked to Taco John's about a curbed right turn only out of the parking lot that may happen in the next phase. There is an issue with people sitting in the turning lane to enter the drive thru however, there really isn't anything we can do about it until if or when Taco John's can get more land from Union Pacific and reconfigure their drive thru. Mr. Urquidi said the downtown project should be completed by the end of October. Item closed.

**School Transportation**

Suzanne reported that even though the bus traffic has basically doubled, it is going smoothly even through the downtown construction. Stop arm violations are down so far this year which they are very pleased about. Suzanne did discuss the trucks at Pioneer Federal Credit Union that are blocking the street causing a problem with the buses coming around the blind corner. Item closed.

**GENERAL BOARD DISCUSSION**

No general board discussion at this time. There are no agenda items for the October 14<sup>th</sup> meeting. At this time there will not be a meeting in October unless someone calls in to add something to the agenda, in which case an agenda will be emailed out to everyone.

**ADJOURN**

There being no further business to come before the committee, Suzanne Bolin made a motion to adjourn the meeting. Lacy Kent seconded the motion. All in favor and the meeting was adjourned at 6:17 P.M.
